To use:

- Print out on cardstock or regular printer paper
- The picture side of the ornament corresponds with the Bible verse next to it
- Glue the two sides together so that the picture is facing out, and the Bible verse is facing out on the reverse side
- For each day that you add an ornament, read the corresponding Bible verse

If you would like to see a different set, please let me know and I will see what I can do! I purposely left off a translation on the Bible verses so that you can use whatever translation works best for your family.
